Shake off the winter doldrums. Spring is just around the corner. The holidays are put away and it is a great time for fresh looks to start the New Year. March Madness!

Wednesday, March 16 - 10:30 am & 6:00 pm

A little this and a little that! We'll discuss the latest trends in color, florals and design, and how to incorporate them in your current décor. Spring is in the air and we have lots of ideas for seasonal designs including fruit and veggie baskets for the kitchen, herb gardens, mixed flower and plant baskets, cloche gardens, and designs incorporating feathered friends, nests and of course a few bunnies and eggs. Trendy again, wreaths symbolize renewal and are the perfect door decoration to welcome friends.

Enhance your Home with Florals and Textiles

Wednesday – April 20 – 10:30 am & 6:00 pm

One of the quickest ways to tweak your home décor is with textiles and permanent botanicals. Incorporating a new color, a bit of texture, and/or a different theme with your existing décor can give a room a fresh feel. Vase arrangements are a very popular floral trend now and a few simple techniques will help you create this style of design to use in 'hooshing' your home.
